(16) One of my favorite places to go during winter is ocean city, Maryland. I think the beach is beautiful in the winter. I like to go for long walks on the boardwalk and hunt for stores that are still open. Sometimes I find a great little bookstore that has
(17) decided to stay open for the winter. or sometimes I find a good restaurant I haven't
(18) tried before. To learn history of the area, I read a copy of *City On The Sand: Ocean City, Maryland, and the People Who Built It.*

The vast expanse of sky and ocean is striking, even though it's cold outside. I can still walk on the beach, although it's definitely too cold to go swimming in the
(19) atlantic ocean. It's fun to go to the beach off-season because there are hardly any
(20) people there, especially Mondays through Thursdays. The pace is slower than in the summertime and more peaceful.
